# Digital Decomposition Worksheet

Date \_\_\_\_\_

circle the day of this observation below

Day 1 2 3 4 5

*Sketch your study plot below and record your observations in the space provided.*

**3 new things I you  
learned today?**

1)

2)

3)

**New vocabulary**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

What do you observe inside your study plot? (describe both living and non-living things you see)

Are there any changes or anything new since the first observation?

What do you think caused those changes to happen?
